

BLENDED COURSE

Final Conference in Brussels, 23 September 2022

Ylenia Cariani, Communication Manager at EGInA

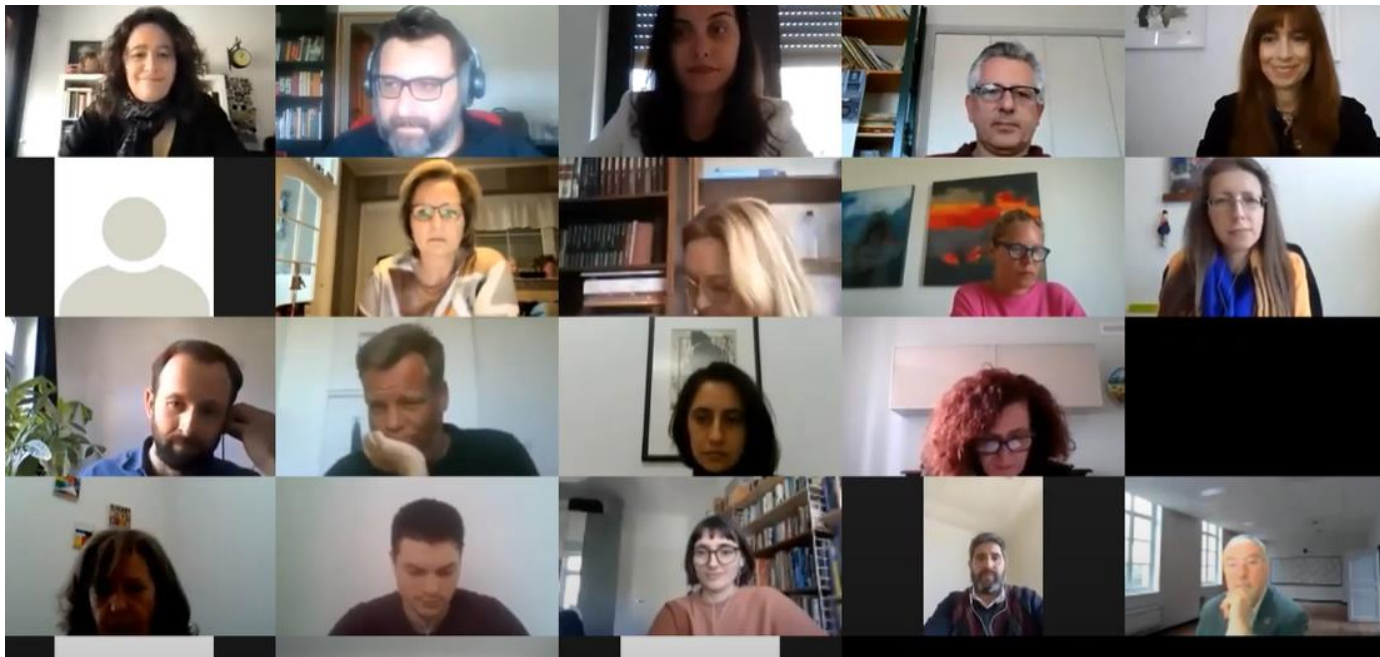

Writing an Erasmus+ KA2 project in the field of VET taking into account the differences between Small Scale partnerships (KA210) and Cooperation Partnerships (KA220)

How has it started?

On 26 april 2022
EGInA has
presented the
Course to all
participants
(Staff School
from our
Network)

Here's how the team
work followed

From May to October 2021
8 Online meetings
led by Laura Cremonte,
project designer at EGInA

Every lesson combined **theoretical training** with **technical**
and **methodological aspects**

November 2021: Face to face workshop in Foligno, at EGINA headquarter in Italy

26 participants
from
Italy
Belgium
Bulgaria
Germany
Portugal

How did the team
groups work?
“Learning by doing”

All participants worked on
specific and **real proposals**,
which were built on the
basis of the participants'
own ideas and then
materialised in **7 working
groups**

Highlights of the technical visits at school:

- Institute Ciuffelli-Einaudi, Todi
- Economic and Technical Institute F. Scarpellini, Foligno
- Technical Technological Institute “Leonardo Da Vinci”, Foligno
- VET Catering and Hotel school, Assisi

Highlights of other guided visits:

- Guided tour and wine tasting experience at the Lungarotti Winery
- LaboMec and LaboNet
- Workshop on AR and VR for VET training
- Guided tour of Assisi and Santa Maria degli Angeli

How many projects have
been submitted?

5 Small Scale Partnerships

What are the results?

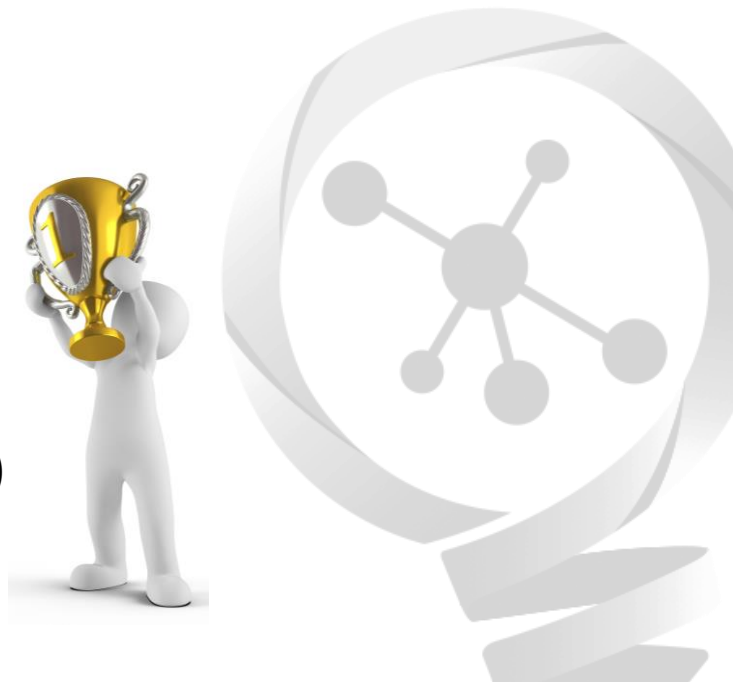

Approved

1. K-TOUR – A Key for Sustainable and Accessible Tourism
